THE NEW STAINLESS STEEL ASSEMBLY HOUSING TOUGH PERFORMER

IP69 rated stainless steel enclosure NBGLC for hygienic applications

- For applications in food processing machinery in accordance with DIN EN 1672-2
- Hygienic design features:
 - smooth surfaces without sharp edges
 - IP69 rated seals to withstand high temperature, high pressure wash downs
 - high resistance to cleaning agents
- Variable sizes with 1,3,or 5 holes for command devices
- No additional mounting accessories such as spacers required thanks to flange seal under the enclosure
- Cable entry in the enclosure floor or side

- Compliments our N Series of IP69K rated pushbuttons, selector switches, and indicator lights
